Montessori School

Encourage | Nurture | Develop | Position

Encourage individual choices through selected activities

Nurture a child's intrinsic desire to learn

Develop each child's cognitive, social, emotional and physical development

Position child's ability to become a self-motivated learner

Testimonial

"Peace and Joy is an amazing Montessori for kids with lot of innovative methods introduced by the dedicated staff which includes STEM. Emphasis is given to individual learning and all kids are given equal opportunity to learn and excel in their tasks. Kids learn a lot by interacting with the visual cards and they are very good. Teachers are creative and dedicated in their work. --MANASWINI SANTHOSH

"This is an amazing school, very organized, clean and the staff is so professional. Based on a very strong recommendation from my friend I enrolled my daughter in Peace n joy Montessori in May this year. I see lot of positive developments in her skills. Teachers are nice and open to discuss any concerns that you may have. Thank you all to the staff and specially" --LEELA JEEVAN REDDY

"This is a great school. Initially we were apprehensive about sending our kid to school as she used to cry everyday but now after two months. We are relieved as she is doing great in the school. Thanks to the teachers and directors for creating relaxed and friendly environment." --Moksha Family

"Montessori is an education for independence, preparing not just for school, but for life."

- DR. MARIA MONTESSORI

Summer Program 2018

1075 Easton Avenue, #20,

Somerset, NJ 08873

Tel : (732) 565-0288

www.peacenjoyacademy.com

Week 1: (Jul 2-6) Summer Kick Off

Welcome to Summer camp. Week starts with "Meet and Greet", Ice Breaker and fun-filled activities .

Week 4: (July 23-27) Earth and Green

Children will learn about renewable energy and contribute to the environment by going green. Introducing the 3R principle (Recycling, Reusing and Reducing) and preparing them for future world.

Week 7: (Aug 13-17) Leadership

Learn about current Leaders and their visions. Build Public Speaking and leadership skills through challenging activities.

Week 2: (Jul 9-13) Cooking/Nutrition

As children become more self-reliant at an earlier age, a "teachable moment" exists for strengthening food-related life skills.

Week 5: (Jul 30-Aug 3) Inventions

Children learn how simple inventions can transform our life through games and fun-filled experiments.

Week 8: (Aug 20-24) Fun and Fitness

Children will experience fitness through a variety of fun filled physical activities. Develop team work and leadership skills through games and sports.

Week 3: (July 16-20) Explore Nature

Children are natural explorer; they will use all their senses to explore. They explore the nature and understand the beauty and how different life forms have adapted to various conditions. Experiment to see how the plants grow.

Week 6: (Aug 6-10) Arts & Music

Children explore their creative ability inspired by variety of fine arts. They will be involved in creating a music, painting, acting and much more fine arts.

Week 9: (Aug 27-30) FIESTA

Join us in our Fiesta week by hitting the piñata games, dancing and much more. It's a great way to end the Summer.
